Returned with compliments.

2. The increase of Rs: 100/- asked for has been already drawn by the Commissioner in anticipation of approval, thus raising his imprest to Rs 600/- and this is distributed as under

Commissioner's Office	Rs 225/-
Health Office	200/-
Octroi "	35/-
Pounds	90/-
Revenue	50/-
	Rs 600/-

3. Some officers and institutions have been given separate imprest as noted below

Municipal Engineer ...	Rs 200/-
Ayurvedic Dispensary	80/-
Unani " ...	80/-
Revenue Officer ...	10/-
	Rs 370/-

3 Thus the total permanent advance held by the several officers of the Municipality is Rs 970/-.

4 An examination of the requirements of the general offices revealed the fact that the permanent advances held by the Municipal Engineer and Health Officer are too heavy. The Municipal Engineer no longer makes use of the imprest for purchasing petrol required for lorries as the practice of allowing a rebate of one anna for each gallon of petrol

NOTE—Contn Sheet

WD 0246 -GPB—15,000—22-8-32

petrol purchased for cash was stopped by the suppliers. Excluding this item his average monthly contingent expenditure comes to Rs 22/-. The expenditure in the Health Office averages to Rs 42/- per mensem. In the case of these two offices the imprest may therefore be reduced to Rs 30/- and Rs 50/- respectively.

5 It is not desirable that offices subordinate to the Commissioner should have independent imprest given to them. It is therefore suggested that the Commissioner be given a consolidated imprest of Rs 650/- which he may distribute as under

Commissioner's Office	Rs 225/-
Octroi Office	35/-
Health Office	50/-
Engineer's Office	30/-
Revenue Office	60/-
Dispensaries	160/-
Pounds	90/-
	Rs 650/-

6. This arrangement will give the Commissioner the increase he requires while it reduces the excesses held by the offices subordinate to him.

Municipal Commissioner

Office of the City Municipality,

Bangalore, dated 6-2-1933

Memo

At present the Commissioner's Imprest of Rs 500 is distributed among the several offices as follows -

Health Office	Rs. 250
Octroi Office	35
Pounds	90
Head Office	125
	------- Total Rs 500

Formerly the sum of Rs 125 was quite ample for meeting the monthly contingent grant and urgent demands of the Head Office Now, as per suggestions of the Auditor, the Langharkhana doles which used to be drawn in advance every week, is being paid out of this imprest of Rs. 125 On some days the balance out of this imprest will be very low owing to the non-adjustment of accounts Consequently the payment of doles to the Langharkhana people will have to be deferred till the next week Letter dated 1-2-1933 from the Chairman, Langharkhana Committee, pointing out the inconvnience caused in payment of doles to the inmates of Langharkana is put up for information

It is requested that the Commissioner's imprest may be raised from Rs 500 to Rs. 600 so as to facilitate prompt payment of not only Langharkhana doles, but other petty cash disbursements, the payment of which cannot be deferred

Letter No Nil dated 1st February 1933 from the Chairman, Langharkhana Committee to the Commissioner, Bangalore City Municipality

---

I wish to bring to your kind notice a few points regarding Langharkhana and I hope that the matter will have favourable disposal at your hands

I write to inform you that some of themembers of the Langharkhana are continuously disappointed for the last three weeks in receiving their weekly doles It is because of insufficient funds Every time the weekly payments are to be disbursed the concerned shroff comes only with a small amount, not even half of the amount due to be paid, thereby causing not only disappointment to the poor but also inconvenience to many of the blind and the lame, which means lack of purpose of our promoting Langarkhana Therefore I request you to consider the matter and make necessary arrangements for proper disbursement of weekly doles to the poor

I hope the matter will not escape your early attention

Thanking you,
